MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements of Wainwright & District Community Health Foundation have been prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO). When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances. These statements include certain amounts based on management's estimates and judgments. Management has determined such amounts based on a reasonable basis in order to ensure that the financial statements are presented fairly in all material respects.

The integrity and reliability of Wainwright & District Community Health Foundation's reporting systems are achieved through the use of formal policies and procedures, the careful selection of employees and an appropriate division of responsibilities. These systems are designed to provide reasonable assurance that the financial information is reliable and accurate.

The Board of Directors is responsible for ensuring the Foundation fulfills its responsibility for financial reporting and is ultimately responsible for reviewing and approving the financial statements. The Board of Directors is composed entirely of directors who are neither management nor employees of the Foundation. The Board is also responsible for recommending engagement and/or re-appointment of the Foundation's external auditors.

Isaman Chopek LLP, an independent Chartered Accountant firm, is appointed by the Board to audit the financial statements in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO), and report directly to them. The external auditor has full and free access to the Board and meets periodically with the Board to discuss audit findings.

INDEPENDENT AUDITOR'S REPORT

To the Members of Wainwright & District Community Health Foundation

Qualified Opinion

We have audited the financial statements of Wainwright & District Community Health Foundation (the Foundation), which comprise the statement of financial position as at March 31, 2021, and the statements of operations and changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2021, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

Basis for Qualified Opinion

In common with many not-for-profit organizations, the Foundation derives revenue from fundraising activities the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Foundation. Therefore, we were not able to determine whether any adjustments might be necessary to fundraising revenue, excess of revenues over expenses, and cash flows from operations for the year ended March 31, 2021, current assets and net assets as at March 31, 2021. Our audit opinion on the financial statements for the year ended March 31, 2020 was modified accordingly because of the possible effects of this limitation of scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Foundation in accordance with ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Independent Auditor's Report to the Members of Wainwright & District Community Health Foundation
(continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

WAINWRIGHT & DISTRICT COMMUNITY HEALTH FOUNDATION

Notes to Financial Statements

Year Ended March 31, 2021

1. ORGANIZATION

The mission of the Wainwright & District Community Health Foundation is to improve and assist health care services in Wainwright and district. The Foundation is a registered charity under the Income Tax Act. As such it is exempt from income taxes, able to issue donation receipts for income tax purposes and is annually required to disburse a minimum amount.

2. BASIS OF PRESENTATION

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNFPO).

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Fund accounting

In order to ensure observance of limitations and restrictions placed on the use of resources available to the Foundation, the accounts are maintained on a fund accounting basis. Accordingly, resources are classified for accounting and reporting purposes into funds. These funds are held in accordance with the objectives specified by contributors or in accordance with the directives issued by the Board of Directors. Five funds are maintained: the Operating Fund, the Dr. White Bursary Fund, the Tansley Estate Fund, the Hospital Fund and the Palliative Care Fund.

The Operating Fund is used to account for all revenue and expenditures related to general and ancillary operations of the Foundation including doctor recruitment and purchase of equipment.

The Dr. White Bursary Fund is used to account for restricted resources that are available to provide annual bursary awards.

The Tansley Estate Fund is used to account for an endowment fund, only the income from the fund shall be used annually.

The Hospital Fund is used to account for revenue and expenditures related to the hospital including Acute Care, Home Care, Long Term Care, and recreation and equipment.

The Palliative Care Fund is used to account for restricted resources that have been designated by fund donors to be used for expenses of Palliative Care Unit.

Cash Resources

Cash resources include cash and bank accounts.

Short-Term Investments

Short-term investments are term deposits and Guaranteed Investment Certificates that are redeemable during the year.

Long-Term Investments

Long-term investments are recorded at the greater of guaranteed or market value.

(continues)

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Tangible Capital Assets

The foundation does not maintain any capital assets. Assets purchased during the year are expended when purchased and donated to the Wainwright Health Centre.

Revenue recognition

The Foundation uses the restricted fund method of accounting for contributions and records revenue and expenditures in the period in which the event leading to the revenue or expenditure occurred.

Financial Instruments

The Foundation's financial instruments consist of cash and temporary investments, receivables, accounts payable and accrued liabilities. It is management's opinion that the foundation is not exposed to significant interest, currency or credit risk arising from these financial instruments. Unless otherwise noted, the fair value of these financial instruments approximates their carrying values.

Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

Contributed Materials and Services

The foundation is governed and supported by volunteers. Contributed services are not reflected in the financial statements due to the difficulty in determining their fair value. The foundation has not paid any remuneration to the fundraising chairman.

4. CASH AND GUARANTEED INVESTMENT CERTIFICATES

Included in cash and guaranteed investment certificates of the Operating Fund are internally restricted funds in the amount of \$1,455,492 (2020 - \$969,357) of deferred revenue. Additionally, included in cash of the Operating Fund are externally restricted funds, restricted by license from Alberta Gaming, in the amount of \$16,077 (2020 - \$11,490).

5. LONG-TERM INVESTMENTS

Long-Term Investments in the General Fund consist of mutual funds invested with Manulife Investments:

	2021	2020
Book Value	\$ <u>386,676</u>	\$ <u>386,676</u>
Market Value	<u>435,608</u>	<u>373,327</u>
Guaranteed Value	<u>435,608</u>	<u>373,327</u>

6. DEFERRED REVENUE

Deferred revenue consists of donations and other revenues received for the CT Scanner project which is yet to be completed.

7. COMPARATIVE FIGURES

Some of the comparative figures have been reclassified to conform to the current year's presentation.

8. APPROVAL OF FINANCIAL STATEMENTS

The Board and Management approved these financial statements.

9. OTHER MATTER

During the year, there was a global outbreak of a novel coronavirus identified as "COVID-19". On March 11, 2020, the World Health Organization declared a global pandemic. In order to combat the spread of COVID-19 governments worldwide have enacted emergency measures including travel bans, legally enforced or self-imposed quarantine periods, social distancing and business and organization closures. These measures have caused material disruptions to businesses, governments and other organizations resulting in an economic slowdown and increased volatility in national and global equity and commodity markets.

Central banks and governments, including Canadian federal and provincial government, have reacted with significant monetary and fiscal interventions designed to stabilize economic conditions. The duration and impact of the COVID-19 outbreak is unknown at this time, as is the efficacy of any interventions. It is not possible to reliably estimate the length and severity of these developments and the impact on the financial results and condition of the Company and its operations in future periods.
